

# FITNA

## Techniktage

A photograph showing three young men in a technical environment, likely a school or university lab. They are gathered around a rack of network equipment, specifically a switch or patch panel. One man in a blue hoodie is in the foreground, looking intently at the equipment. Two other men, one in a black shirt and one in a dark blue shirt, are behind him, also focused on the task. The rack is filled with various cables (red, blue, green, yellow) and network ports. The background is slightly blurred, showing other equipment and a poster on the wall.
